

PEOPLE FOCUSED—TECHNOLOGY DRIVEN

COMPANY PROFILE

Liberty Energy Services was Founded in 2004 by Allan Weatherford, President and CEO. Mr. Weatherford foresaw an opportunity to build a world-class energy pipeline services consulting firm based on his long and tenured career in the natural gas pipeline industry.

Shortly thereafter many of the top industry experts joined on with Liberty to further showcase their talents and assist clients with their most challenging projects.

Today we find ourselves poised for the future and doing business throughout the United States and Canada with some of the largest names in the industry. They have come to realize that they receive phenomenal services from an elite group of highly skilled consultants that deliver every time.
