

WHY CHOOSE LIBERTY?

Awesome Benefits You Can Afford

INDUSTRY LEADING BENEFITS.

Liberty Energy Services offers comprehensive benefits at affordable rates. Many of our inspectors report significant savings and better coverage when they begin employment with us.

FACE TO FACE.

We work with our clients and inspectors on a personal level to ensure the utmost attention to detail.

WE'VE GOT YOU COVERED.

When your project ends, you move into our 90-day labor pool, meaning you keep your insurance coverage for you and your family, even when you are not working, for up to four months (regular premiums apply). We also have a professional recruiting staff to help place you into another position.
