

# SMS Training Academy Lodging

Safety Management Systems offers training on-site and at our world-class, 96,000-square-foot training academy in Lafayette, Louisiana. This state-of-the-art facility boasts all of the elements required to get any crew trained and compliant.

Training is fundamental to the success of a workforce, but not all instruction is created equally. With this in mind, we built our training academy to ensure a wide range of learning formats, from media-supported lectures to interactive simulations and on-site lodging.
